

PUBLIC NOTICE

VOLUNTEER RECRUITMENT

THE CITY OF LAKESIDE is looking for interested parties seeking to participate in the future growth and administration of our city. We are currently accepting applications for both the Planning Commission and the Budget Committee. We anticipate two openings on each of these appointed boards hopefully to be filled at the April 11, 2024 City Council meeting.

PLANNING COMMISSION: Two open terms approximately two years in length at which time re-appointment may or may not occur based upon city council consideration. Monthly meetings at a minimum traditionally 6pm on the first Thursday. Reviewing land use requests for development, proposing development policy to the City Council, and generally preparing for the future development of our community. Planning Commissioners are required to fulfill the state designated obligation of the Statement of Economic Input for the Oregon Government Ethics Commission.<https://www.oregon.gov/ogec/public-records/pages/seis.aspx>

BUDGET COMMITTEE: Two positions, both for one year ending December 31, 2025 and consideration for re-appointment of 3-year terms may be made by the City Council. Typically, 4 meetings a year during March, April, and May. The Budget Committee is the entire City Council and an equal number of volunteer citizens (total of 14) to review the proposed city budget until they can agree upon and vote to approve it.

Applications for these volunteer positions may be found on the city's website (Government:Forms:Boards and Commission Applications-bottom right corner of page) and at City Hall. Candidates will be interviewed in an open public meeting.

Questions? manager@cityoflakeside.org or at city hall.
