Describe the purpose of the proposed property line adjustment

Include a map showing the current configuration of both properties. Outline the properties in different colors. Show dimensions of all pertinent property lines. Show all improvements (above and below ground), easements, access to both properties, wetlands, flood plain, streams, lakes, etc. Show date, north point and scale of map.

Include a map showing the proposed configuration of both properties. Use the same colors. Show all proposed improvements, easements and accesses.

Ensure that all existing and proposed improvements are located on the desired properties after the adjustment.

If approval is granted you must file a boundary line adjustment deed with the Coos County Clerk. The boundary line adjustment will not be complete until it is filed.
